

# TRANSCELLO™ & NATUREFLEX™ FILMS

WRAP, BAG, PACKAGE AND PROTECT WITH AN ECO-FRIENDLY ADVANTAGE

Transcendia's TRANSCELLO Cellophane Packaging Films and NatureFlex Films are biodegradable and compostable, and made from renewable resources. They're the ideal match for a variety of products, and appeal to consumers who prefer an eco-conscious lifestyle.

As North America's premier manufacturer and converter of plastic film, Transcendia provides a broad portfolio of FDA-compliant film types and thicknesses, custom converted to your specifications. Transcendia offers expertise, technical support, quick-turn order fulfillment, low minimum order quantities and top AIB ratings. Inventory stocking programs are available from production facilities throughout the U.S. and Canada.

CHOOSE THE TRANSCELLO CELLOPHANE PACKAGING FILM THAT'S PERFECT FOR YOUR APPLICATION
