

TRANS-FORMING™ FORMING FILMS & TRANS-SEALING® NON-FORMING FILMS

SHORT LEAD TIMES ON THE INDUSTRY'S
LEADING WATER-COOLED FILM TECHNOLOGY

As North America's premier manufacturer and converter of plastic film, Transcendia provides a broad portfolio of FDA-compliant film types and thicknesses, custom converted to your specifications. Transcendia offers expertise, technical support, quick-turn order fulfillment, low minimum order quantities and top AIB ratings. Inventory stocking programs are available from production facilities throughout the U.S. and Canada.

BENEFITS & FEATURES

- Runs on thermoforming packaging equipment
- Water-cooled co-ex films provide the highest clarity and gloss for product visibility and shelf appeal
- High "snap back" and residual shrink create wrinkle-free packaging
- Tight corners prevent leaks and ensure food safety
- Excellent puncture resistance to protect against damage when packaging sharp products
- 10 layer co-ex films feature nylon skin layer for increased strength and printability
- High barrier films designed for applications requiring specific OTR, aroma and UV barrier
- Products carry FDA, CFIA, BRC & Kosher certifications

TRANSCENDIA SERVICE

- Product stocked and slit to order
- 3-5 day lead times from coast to coast
- Broad product portfolio including forming, non-forming, overwrap, tray lidding and label films
- AIB Superior Rated Facilities
